## Race Day

For race day registration times, please see our [Race Format page](#).

All WQMA races (a.k.a. Club Races) are points races.

**NOTICE** – Track Fuel for all WQMA Club Races is mid-grade gasoline as sold by the Shell Station, 1/2 mile West of the Track:  
[13885 Fryelands Blvd. Monroe, WA](#)

Participants are to provide their own fuel. All participants are subject to fuel testing as determined by the Tech Director.  
Due to ever changing gasoline formulations, WQMA recommends that participants only use fuel purchased on race morning.
