

Open Practice Regulations

1. The track is open to any WQMA member for the purpose of practice from 9:00 am to dusk on weekdays and Saturdays and 10:00 am to dusk on Sundays. Exceptions include when the track will be closed for practice are the fairgrounds blackout days, event race days, and other days designated by the club such as scheduled work parties.
2. All persons participating in any practice at the track must have QMA insurance to be inside the pit area.
3. There must be an adult member over 18 on premise while any car is practicing.
4. There must be at least 1 fire extinguisher located in the pit area whenever there is a car on the track.
5. There should be no more than seven (7) cars on the track at any time other than club-sanctioned racing events.
6. There can be no children in the Hot Chute at any time other than drivers strapped in race cars.
7. All drivers must obey all track safety rules and racing rules. They must obey all rules when entering and exiting the track, including no driving through the pit area.
8. NO SMOKING in the pit area and no alcoholic beverages in the pit area.
9. All members are reminded to exercise fairness and courtesy at all times. If others are waiting please limit your practice sessions to approximately 15 minute intervals in order to give everyone an equal opportunity to have track time.
10. Novices should be given an opportunity by others to have practice time alone on the track. Novices should not be on the track with cars in a class higher than Jr. Honda.
11. Please make sure to clean up after yourselves when leaving the hot chute and pit area.
12. All other WQMA track rules must be followed during practice such as no bikes and scooters on the grounds etc.
